T .			
H.D	UCA	т	N

EDUCATION	
New York University, Tandon School of Engineering, Brooklyn, NY	09/2020 12/2024
Bachelor of Science, Mechanical Engineering, GPA: 3.232 Relevant Coursework: Control Systems, Machine Design, Finite Element Design, Model, and Analysis, Fluid Mechanics	
Robotic Design Team Member	09/2021-05/2022
 Designed and assembled robot components using Onshape in teams, achieving 90% functionality 	
 Measured parts and proposed modifications for future designs High School Diploma 	
Pelham Memorial High School, Pelham, NY	09/2016-06/2020
2016-2018, 2019-2020, GPA: 93, ACT: 32	
Honor Roll	2016-2018,
Spanish Honor Society Member	2019-2020 05/2020
National Honor Society Member	11/2019
New York State Math and Science Honor Society Member	03/2018
Francis W. Parker, Chicago, IL	2018-2019
AWARDS AND CERTIFICATIONS	
Best Senior Design Commencement Award	05/2024
 Designed an automated pill organizer that enhances medication accessibility for individuals with motor disabilit Order of the Engineer Member 	04/2024
Illinois State Robotics Champions, FIRST Tech Challenge	2019
FIRST Tech Challenge Worlds Participant	2019
TECHNICAL SKILLS	
Coding Languages and Tools: SQL, Python, HTML, CSS, JavaScript, git, command-line, GitHub, VSCode, Reac	t Next is
Mechanical Engineering Tools: Fusion 360, AutoCAD, Solidworks, Onshape, Ansys, MATLAB, CFD	e, r verrago
Evdedience	
EXPERIENCE Project Management Intern. Constellation Software, New York, NY	06/2024-08/2024
EXPERIENCE Project Management Intern, Constellation Software, New York, NY • Implemented a risk management system using Confluence, enhancing project tracking and team collaboration	06/2024-08/2024
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration Led scrum meetings and improvised backlog management using Jira, optimizing development workflows 	06/2024-08/2024
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration 	06/2024-08/2024
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration Led scrum meetings and improvised backlog management using Jira, optimizing development workflows Developed strong analytical, leadership, and agile project management skills Maker Intern: Co-Op Camp, Mamaroneck, NY 	06/2024-08/2024
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration Led scrum meetings and improvised backlog management using Jira, optimizing development workflows Developed strong analytical, leadership, and agile project management skills Maker Intern: Co-Op Camp, Mamaroneck, NY Led a group of children through engaging camp activities, ensuring high participant satisfaction 	
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration Led scrum meetings and improvised backlog management using Jira, optimizing development workflows Developed strong analytical, leadership, and agile project management skills Maker Intern: Co-Op Camp, Mamaroneck, NY Led a group of children through engaging camp activities, ensuring high participant satisfaction Improved comprehension of engineering concepts by incorporating innovative multimedia tools 	
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration Led scrum meetings and improvised backlog management using Jira, optimizing development workflows Developed strong analytical, leadership, and agile project management skills Maker Intern: Co-Op Camp, Mamaroneck, NY Led a group of children through engaging camp activities, ensuring high participant satisfaction 	
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration Led scrum meetings and improvised backlog management using Jira, optimizing development workflows Developed strong analytical, leadership, and agile project management skills Maker Intern: Co-Op Camp, Mamaroneck, NY Led a group of children through engaging camp activities, ensuring high participant satisfaction Improved comprehension of engineering concepts by incorporating innovative multimedia tools Optimized workflows to reduce staff workload and enhance overall productivity Tennis Instructor, Tournament Director: New Rochelle Racquet Club, New Rochelle, NY 	
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration Led scrum meetings and improvised backlog management using Jira, optimizing development workflows Developed strong analytical, leadership, and agile project management skills Maker Intern: Co-Op Camp, Mamaroneck, NY Led a group of children through engaging camp activities, ensuring high participant satisfaction Improved comprehension of engineering concepts by incorporating innovative multimedia tools Optimized workflows to reduce staff workload and enhance overall productivity Tennis Instructor, Tournament Director: New Rochelle Racquet Club, New Rochelle, NY Resolved conflicts promptly among players, coaches, or spectators to maintain a positive atmosphere at events 	06/2022-08/2022
 Project Management Intern, Constellation Software, New York, NY Implemented a risk management system using Confluence, enhancing project tracking and team collaboration Led scrum meetings and improvised backlog management using Jira, optimizing development workflows Developed strong analytical, leadership, and agile project management skills Maker Intern: Co-Op Camp, Mamaroneck, NY Led a group of children through engaging camp activities, ensuring high participant satisfaction Improved comprehension of engineering concepts by incorporating innovative multimedia tools Optimized workflows to reduce staff workload and enhance overall productivity Tennis Instructor, Tournament Director: New Rochelle Racquet Club, New Rochelle, NY 	06/2022-08/2022
